

9 January 1974

MEMORANDUM FOR: COMIREX Security Consultant
SUBJECT : Special Clearances -- [REDACTED]

25X1A

[REDACTED] has been assigned full-time to the COMIREX Staff where he will be involved primarily in problems dealing with sanitization, downgrading, and decontrol of satellite imagery. He will need all of the special clearances currently required for regular attendance at COMIREX meetings. Will you please make the necessary arrangements to have him briefed for [REDACTED] and [REDACTED] clearances.
